

Sinclair Broadcasting's has decided to pressure their many affiliates to air an anti-John Kerry show which happens to be full of false information. Having lived through the Vietnam War, I can remember the frustration I felt when the government ignored massive protest against the war.

Patriots like John Kerry, who stood up and declared that what was happening was wrong and against the ideals this country was founded on, were a light of hope in that dark time.

Now the whole history is being rewritten in the hope of re-electing G. Bush. This is illegal by your own standards. Political advertising is prohibited in this time period. I think you must deny Sinclair access to the public airwaves for this illegal advertising or require them provide equal time for pro-Kerry advertising. This program is NOT substantive news.

Sinclair's actions show why we need to strengthen media ownership rules, not weaken them. They show why the license renewal process needs to involve more than a returned postcard. Thank you.
